Summary

Aspiring Web Developer | B.Tech-II Student |

I am a passionate Computer Science student with a Diploma in Computer Science and currently pursuing a B.Tech degree. I have foundational skills in web development, including HTML, CSS, and basic JavaScript.

I enjoy creating responsive and user-friendly web pages while continuously enhancing my coding skills. I am eager to learn more about front-end and back-end development, explore modern frameworks, and contribute to real-world tech projects.

I'm excited to collaborate on web development projects, expand my technical expertise, and grow as a future software developer. Let's connect and build something great together!
